OFFICE OF

THE TOMBSTONE MILL AND MINING COMPANY,

220 SOUTH FOURTH STREET,

GEORGE BURNHAM, PRESIDENT.
W. J. CHEYNEY, GENERAL MANAGER.
I. W. McELWEE, ASST. TREAS. & SEC.

Philadelphia, 3/5 1892

My dear Sam.

I am beginning to feel quite anxious to hear from you, my last letter being of 14th. ult. I not only wish to know how you are getting along but as to your personal well being. I thought yesterday of telegraphing. I wrote Mr. Burnham to-day. He will probably remain in Florida during this month. Ph. Corbin is also there. The weather here continues wretched. Not very cold, but rain or snow continually. Joe was ill two or three days at this very time. I do not know whether he got down to stay or not: or how severely his illness affected him. I assume that you get Tombstone news regularly, either direct or through Gen. R. and that you know of Bi's scarlet fever.

Your aunts at Medici and Cherry St. are not in very good shape, otherwise the family is well as usual. Our affy yrs Fahey

W. J. Cheyney
